**DC315 CERTIFIED APPLICATOR TRAINING PROGRAM
USA**

Date complete: 22-Dec 2023
Certificate #:16261-79036545-4264655

Certified Applicators have been trained, tested and certified on IFTI application processes and field inspection procedures. CAP applicators shall possess the required knowledge, skills and tools needed to properly apply, inspect and certify the installation of DC 315. Applicator certification is not a warranty of the applicators work by IFTI rather documentation that the applicator has been trained on the correct equipment, techniques and installation requirements to install IFTI products.
